Humanities and Cultural Sciences

- Faculty of Catholic Theology
- Faculty of Protestant Theology
- Faculty of History and Art Sciences
- Faculty of Philosophy
- Faculty of Cultural Sciences
- Faculty of Linguistics and Literature

Zentrum Seniorenstudium, Center for Advanced Studies (CAS), Rachel Carson Center (RCC), Munich Center for Mathematical Philosophy (MCMP)

Cooperation and Networking

Evolution of Digital Humanities: Milestones

- 1986 first purchases, pilot projects, position for support of computeraided scientific work
- 1995** area-wide networking – multimedia – world wide web
- 2000 founding of IT-Gruppe Geisteswissenschaften
- 2013** Digital Humanities: Research
- 2016** Digitaler Campus Bayern: Teaching
- 2018 data science – research data management

IT Infrastructure

1988

1 Workstation

15 PC workplaces

Office applications:

- word processing
- statistics (SPSS)

2019

ca. 60 Servers

11 Storage units (166 TB)

1800 Clients (1:1 supply)

ca. 30 locations

complex networked systems:

- over 400 databases
- over 125 webbased project databases

DH Research

DH Teaching

- 2016: IT for All: Digital data analysis DHVLab I
 - History and Art Sciences Certificate program
- 2017: BA minor degree „Digital Humanities - linguistics“ DHVLab II
 - English, Germanic and Romance Philology BA minor degree
 - FAU Erlangen
 - University of Regensburg
- 2019: IT for All: Extension DHVLab plus
 - Development of a business model for the expansion of the DHVLab to Bavarian universities

Research data management

- 2018: „eHumanities – interdisziplinär“
 - University library FAU Erlangen
 - University library LMU Munich
 - ITG with VerbaAlpina
 - LRZ with GeRDI

DH FDM Center
